I also watch the news tht is closed caption other wised i wud have to read the newspaper alot if wasnt caption.. Please continue with closed caption it is important to me to watch tv and with my family as well.. You knw bfore i was able to watch a show called Ellen tht is comedy I wasnt able to enjoy comedy as much cuz couldnt undesrstand wht was funny now i can cuz it is closed caption! It is awesome to laugh with others as well and understand alot better and wht is funny... Thanks again! Doing a great job on it but please improve on the typing as need to be more acturate, honesty wht people are saying and not b replace or bhind. Thnk you!
